

Dear colleagues,

On behalf of the members of Organizing committee we are pleased to invite you to attend the Seventeenth Sarajevo Anesthesia Forum. By organizing several presentations and workshop, we are planning to acquaint you with the latest accomplishments in anesthesiology. On this occasion, we intend to deliver lectures and organize discussions on current issues in anesthesiology and intensive therapy in urgent and emergency medical conditions. The Forum has become a traditional annual gathering of anesthesiologists from Bosnia and Herzegovina, with the participation of the colleagues from other European and worldwide countries. In addition, we hope that the Seventeenth Sarajevo Anesthesia Forum will be a wonderful opportunity for you to gain new knowledge and skills, as well as to exchange professional experience and associate with your colleagues.

We are looking forward seeing you at SAF XVII.
